Gilsum Elementary School brief discussion-

Ayer- We are entering the twenty year bond of construction by MRSD.

Server/ Internet Project

Cushing- State of NH is not on computer system. We are still waiting on the State.

Mack Road Culvert discussed-

Cushing- Applied for DES permit, and still waiting to be issued that. Should inform JT about permit status.

Dump project-

Cushing- Monitor Well has been installed.

Restoring Eden Building-

Resident built deck and ramp without building permit. Not in compliance with ZBA and DOT.

Louder- I will contact the State.

Cushing- We will send a letter out to invite resident to a weekly meeting to discuss this further.

Debris on property Map 409 Lot 43 discussed

Louder- I talked with resident Gary Parenteau about debris. He stated that it was not located on his land. I will try to take a drive up there and figure out exactly where debris is located.

Letter from Resident- no outlet sign needed for Whitney Stage Road due to wooden bridge collapsing

Cushing- Ill talk with Harlen about this.

Budgeting for Road equipment and projects

Ayer- I would like to see Harlen come in every couple of weeks for input on what projects the roads are going to need and projected costs so that the town can be more proactive with budgeting.

I also talked with Harlen about SouthWestern giving the town a ten year plan on which roads should be done and projected cost of each road for all paved roads. It costs about a thousand dollars.

Requirements for Road Agent hiring & Bidding out winter plowing discussed-
