Highway:

Road Agent Harlen Maguire present-

Harlen Maguire- I have made up a list for the budget. I am going to order the cold patch. Sand is in, and the salt should be in this week.

Road Agent request for guardrail, proposals for budget-

Cushing- I suggest contacting Jim Hollar from Cold River Bridges to find guard rails for sale.

Mack Road completion status- No updates

Vessel Rock Road permit status- No updates

Hammond Hollow Bridge- Sealing to be done, bid to be received from Cold River soon

Cheshire EMS notice- Chief is retiring

Cushing- This notice states they have hired MRI to help in the transition to find new people. We are under agreement with Cheshire EMS for the first three years.

MRSD- Memorium of Understanding Taylene Givetz, email

Cushing- Taylene has sent an email informing the Board that the lawyers office is planning on reaching out to the town soon.

Planning Board volunteer- Bill Whyte

Ayer- With Bill Whyte included, we are still short by one person.

Louder motions to appoint Bill Whyte to the Planning Board

Cushing 2nds

Vote: Unanimous

Motion passed

Community Power meeting 10/11/2023 6pm at School

Building Permit Requirements- suggested updates from Planning Board reviewed

Updates include requiring a Building Permit for mechanical, electrical, plumbing, and LPG services.

Cushing- If the work done requires having a licensed professional, they should be following state codes. I think it's onerous to have additional requirements that the state offers.

David Dauphin- If you are replacing something that is existing, I think that should be exempt.

Ayer- The Planning Board has made these suggestions to help with assisting in this process. If the Selectboard does not accept the updates, they can cross it out.

To be reviewed and discussed on a later date

Boundary line public hearing 7pm- William Johnson, Jr & Town of Gilsum

2nd of two hearings; Notice of Public Hearing Read by Cushing

No individuals present opposed to Boundary line agreement

Vote to be made 7 days after the last public hearing, no later than 14 days.

Vote to be ratified next meeting

Recreation Commission- Chairman Ralph Jernburg present

Prospect of water system for community park discussed-

Ralph Jernburg- There is a former hand dug well that was filled in years ago.

Cushing- If a water system was put in it should be potable for the towns liability.

Louder- An underground line from the town Hall could be a possibility.

Electricity to run to Community Park- Briefly discussed, cost for Frog Pond reviewed

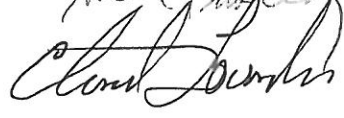

Ayer- Using the two meters that are in place at the Town Hall for the park could save the town money.

Fire Department- Fire Chief Dee Denehy present

Swanzy Oil & Burk for off road diesel briefly discussed

Dee Denehy- I will check to see if International can use dyed fuel.
