Town Hall maintenance-

Backup battery did not engage during power outage

Cushing- I will talk with Allan Treadwell to get a better explanation as to why the battery did not engage.

SonicWall to be installed by Twin Bridges-

Cushing- Allan is informed and will generate a bill for that.

Town boundary lines- Law states lines are to be reviewed every 7 years

Cushing- I have a volunteer who is interested in doing this over his winter break.

Sheriff Eli Rivera present- Contract for town discussed

Rate changes for 2024 and 2025 to be seen due to change in laws

Hourly rate for 2024: \$60.94 Hourly rate for 2025: \$63.01

Noise ordinance-

Eli Rivera- The state police would be enforcing the noise ordinance since the county has set hours.

Zoning Board of Adjustments ordinance proposals-

Bruce Murphy- The ZBA will no longer be involved with adjustments of ordinances.

Ayer- The ZBA submitted a rough draft to the Planning Board. The Planning Board does not have enough time to format this for the upcoming public hearing but It could go to the 2025 vote. By law the Selectboard are the enforcers of zoning laws.

G2 Holdings Bond to be received-

Ayer- I received an email from Gordon stating he will have it by the end of the month, and if he does not Gilsum can put it in escrow.

Cushing- The town should not have escrow accounts. It can be deposited at the bank and be held as an irrevocable letter of credit.

MRSD- Memorium of Understanding Taylene Givetz,

Cushing- Taylene has informed me that the school is transitioning to a new superintendent, and we will have to solidify this with them.
