Treasurer's Report was approved.

Sarah wrote a check for \$13,000 for the fifty percent deposit to paint the Museum.

Casino: There are a few days left!! We should have a check by mid-June. Looks like we will deplete our account for painting the Museum.

Membership: Welcome Deb Reilly as a new member. Karen will reach out to Tom and Helen Mercer to see if they would be interested in joining.

Building Committee update: Painting the Museum. David thinks that Jonathan, the painter, will probably start next week. We cleaned the Museum last week. We will work on the knotweed at the Museum on Thursday, May 29.

Break down after Rock Swap (people that are working at the time will probably help out)

Use of Blacksmith Shop:

We have a new foundation, the grass is growing, windows have been reglazed and painted, roof is done. We are waiting for Clem to sand floors so the powder post beetles can be treated.

David suggested that we put up a partition in the Blacksmith Shop to divide the building so that on one side is the Blacksmith Shop and the other side we could rent out tables for an indoor flea market/yard sale. We would need an insurance umbrella policy. We will need to discuss staffing, etc., advertising, sandwich boards. Deb said Jared may like to rent a table.

Speakers – rec committee might be willing to donate for a historical society speaker.

Member input:

Deb asked if we have a sign for the Blacksmith Shop. We should see if we have an historic plaque from the State of New Hampshire.
