Highway Department:

Speed Limit Radar Signs: Brief discussion of updated information. Tabled for next week as Mitchell is not present.

R&R Communications: Maguire shows the selectboard repeater results from on top of Centennial Road; brief discussion of the costs for tower/pole. Bart Cushing had called Maguire, letting him know that he already had a repeater with tower/pole along with radios. Maguire spoke on his thoughts with the radios for the highway department and fire department.

Budget: Discussion of the budget for the Highway Department. Hammond Hollow will need to be further discussed. Brief discussion of the additional building.

Happy 250th Anniversary to the U.S Marine Corps!

Gordon Sand and Gravel Pit: Announcement for blasting on Wednesday November 12th, 2025.

Dee Denehy: Community Kitchen will be holding an Emergency Food Pantry at the school, open to the public, this Saturday November 15th, 2025.

Deb Reilly: Brought up the lights in the back office to discuss as it is hard to see. It will need to be addressed, Lounder to look into.

Jason Ballou:

Budget Committee; We are coming up on budget season. Jason asks the Selectboard if they thought it would be beneficial to the committee to have the assets of each department; along with having records of maintenance of each department as well. That way we are better educated during budget season. Brief discussion on this and determined that it would be a good idea to have.

Cemetery Trustees; Bazarnicki brought up a bill for Tuckers to Jason as unsure what it goes to, it needs an explanation. Ballou to look into.

Cheshire County Sheriff Department: The budget for 2026-2028 contract has increased. Tabled for next week as Mitchell is not present.
