9:02am Chair Clem Lounder calls meeting to order

Gordon Sand and Gravel; Ariane Ice, Lawyer: Ice came and spoke on behalf of Gordon. Ice spoke of the water testing and said as of the latest test results, the water is within normal limits now. The water testing did go through the proper channels and Spring Street levels are within parameters as well. February testing did not get back until March 2nd; therefore, it has not been months of bad testing. Gordon spends \$2500 per month in well water testing. Gordon's operations were approved in Keene. Cody Gordon wants to work with the Town of Gilsum. Ice asks the board to officially rescind the motion for the cease-and-desist order. Discussed better ways that the board can hear both sides of the parties.

Bazarnicki motions to rescind cease and desist for G2 Holdings.
