Profit and Loss are in the Selectmen's Office to view and updated weekly.

Tax Collector: Sue Cadmus speaks on being alone in the building as the tax collector, that she came up with a potential solution. Cadmus's proposal is to change the door between the office and lobby, replacing the glass door. This would possibly be a half wooden door, so that she can still can conduct business and in an emergency that she can get out the backdoor if needed. Cadmus wants to keep her 5pm-7pm Monday night hours. Discussion of moving hours to 5:30pm-7:30pm and to make sure someone will be here for safety. Murphy would like to have Lounder's thoughts before making a decision. The door proposal is to be considered. Meanwhile, going forward, the tax collectors hours will be 5:30pm-7:30pm.

Town of Windsor; Public Hearing Proposal: Hrabovsky read letter notification.

Gordon Sand and Gravel: Ariane Ice came to the board and gave us updates from the meeting April 2nd in regards to the no trespassing signs and the "fencing". Eaton Hill Road was mentioned that the slope was steep on the side of the road and asked about putting a fence there as well. The engineer Brent Cole stated that they wouldn't typically put up a fence on an area that they are not working on. Bazarnicki asked if that signs were posted as well and if a temporary fence can be placed there.
